Filter by Public Labels:

STEPS:

1.	Search for any fax or referral across the system
2.	Filter by “Public Labels”

Filter search Fax (Type, Status, Workflow Status):

STEPS:

1.	Filter by “Item Type”
2.	Filter by “Type” , “Status” and “Workflow Status”

Interactions:

STEPS:

Navigation	Click “Interactions” located in the left hand side pop out menu
1.	All patient interactions are listed here

Search for interacted Faxes:

The screenshot shows the 'Patient Interactions' dashboard. At the top, there are four summary cards: '10108 Total Patients', '12559 Total Tickets', '12559 Open Tickets', and '0 Active Today'. Below these is a 'Search Patients' section with a search bar containing 'test'. A red arrow points to the first search result, 'TEST, ANNIE (ON:)', which is marked with an 'AT' icon. To the left of the search results is a 'Recent Tickets' sidebar showing a list of tickets, including one from 'Fax Received - Apr 30, 2026'. To the right of the search results is a 'Priority' and 'Source' filter section with a table of results.

Priority	Source
1	2
2	3
3	4
4	5
5	...
...	2094
2094	Open

STEPS:

1. Search patients by name, HIN, phone number or email

Overview of recently interacted Fax:

The screenshot shows the 'Recent Tickets' section of the Interaction Hub. The page has a top navigation bar with icons for Channels, Interactions (selected), Appointments, Address Book, KPIs, Logs, Settings, and Administrator. Below the navigation bar, there are filters for Status, Priority, and Source. The main content area displays a grid of six 'Fax Received' notifications, each with a ticket ID, date, and a link to 'Open' the ticket. The notifications are as follows:

Ticket ID	Date	Customer Name
TKT-2026-000002	Apr 7, 2026	TES, TEST (ON:)
TKT-2026-000001	Apr 7, 2026	test, KHALID (ON:)
TKT-2026-000001	Mar 28, 2026	RAJU K, MICHELLE (ON:)
TKT-2026-000003	Mar 28, 2026	test k, arjun (NON-OHIP:)
TKT-2026-000002	Mar 28, 2026	RAJU K, TABITHA IRENE (NON-OHIP:)
TKT-2026-000001	Mar 28, 2026	RAJU K, TABITHA IRENE (NON-OHIP:)

Each notification includes a 'Fax' icon and a '1 events' indicator. The page also shows pagination controls at the bottom, indicating 'Showing 1 - 6 of 36484' tickets.

STEPS:

Navigation	Scroll down the page
1.	All recent tickets are displayed

Navigate through interacted Faxes:

STEPS:

1.	Click forward arrow (Red) to view next page of recent tickets
2.	Click backward arrow (Green) to view previous page of recent tickets

Navigate through interacted fax cont.:

STEPS:

1.	Click forward arrow with straight line (red arrow) to navigate to the last page of recent tickets
2.	Click backward arrow with straight line (green arrow) to navigate to the first page of recent tickets

Filter search interacted fax by “Status”:

The screenshot shows the 'Recent Tickets' section of the Interaction Hub. A red arrow points to the 'Status' dropdown menu, which is open, showing options: All, Open, In Progress, Pending, Resolved, and Closed. The interface includes a search bar, navigation tabs (Channels, Interactions, Appointments, Address Book, Logs), and a list of recent tickets with patient information and fax status.

Ticket ID	Status	Received Date	Patient Name	Phone Number
TKT-2026-000001	Fax Received	Apr 30, 2026	Simone, Bekys (OHP: 8079883270)	1 events
TKT-2026-000001	Fax Received	Apr 28, 2026	Mary, Elizabeth Beattie (OHP: 4558317295)	1 events
TKT-2026-000001	Fax Received	Apr 28, 2026	TEST, ANNIE (ON:)	1 events
TKT-2026-012555	Fax Received	Apr 24, 2026	ATKINSON, ROBERT KEVIN 1959-10-21 4351479638	1 events
TKT-2026-012554	Fax Received	Apr 24, 2026	MAI, CUONG KUAN 1982-03-02 7346260736	2 events

STEPS:

1. Sort recent tickets by “Status”

Filter search interacted fax by “Priority” and “Source”:

The first screenshot shows the 'Recent Tickets' section with a search bar at the top. Below the search bar, there are six ticket cards. The 'Priority' dropdown menu is open, showing options: All, Low, Normal, High, and Urgent. The 'Source' dropdown menu is also open, showing options: All, Fax, Web Referral, Phone, Email, Walk-in, External, and Manual.

The second screenshot shows the same interface, but the 'Source' dropdown menu is now closed, and the 'Priority' dropdown menu is open, showing the same options as before.

STEPS:

1.	Sort recent tickets by “Priority”
2.	Sort recent tickets by “Source”

Click on recently interacted fax:

STEPS:

1.

Click on any recent ticket

See details regarding interacted fax:

The screenshot displays the Interaction Hub interface. The top navigation bar includes links for Channels, Interactions, Appointments, Address Book, and Logs. The main content area is titled "Patient Interactions" and shows a summary for a patient with ID "IS". The summary includes a bar chart with three categories: Total Tickets (1), Open (1), and Events (1). Below this, there is a section for "EMR" with a note "Last activity: 6d ago".

The main list of interactions shows a single entry: "TKT-2026-000001" with the title "Fax Received - Apr 30, 2026". The status is "Normal" and it has "1 event". The entry was created "6d ago" and updated "6d ago". A red arrow points to the "View Details" link at the end of the entry.

The detailed view of the "Fax Received - Apr 30, 2026" event is shown on the right. It includes a section for "Related Items" with a link "Fax: 11566687". Below this is the "Event Timeline" for April 30, 2026, at 11:06 AM. The event is labeled "identified" and was performed by "Dr: Khalid Abdullahi". A "View Fax" link is provided at the bottom of the timeline.

STEPS:

1. Select "View Details" to see the details of the ticket

Appointments:

STEPS:

Navigation	Click “Appointments” located in the left hand side pop out menu
2.	Search for the patient you’d like to book an appointment for by name, health card, or date of birth

Book Appointment:

STEPS:

1. Once the patient is searched select “Book Appointment”

Select Symptoms:

STEPS:

Navigation	Scroll down the page
2.	Select the relevant “Symptom(s)” and press “Next”

Select “Schedule type” & “Select Location”:

STEPS:

1.	Select the “Schedule Type” and press “Next”
2.	Select the “Location” and press “Next”

Select “Doctor” & “Date”:

STEPS:

1.	Select the “Doctor” for appointment and press “Next”
2.	Select the “Date” for appointment and press “Next”

Select “Time” and “Appointment Type”:

The screenshot shows the 'Time' selection interface. At the top, there's a navigation bar with icons for Channels, Interactions, Appointments, Address Book, KPIs, Logs, Settings, and Administrator. Below this, the 'Time' section is active, showing a calendar for Friday, May 15, 2026. The interface displays several time slots: 09:20 AM to 09:25 AM, 09:35 AM to 09:40 AM, 10:05 AM to 10:10 AM, 10:20 AM to 10:25 AM, 10:35 AM to 10:40 AM, 10:50 AM to 10:55 AM (highlighted with a red circle), and 11:05 AM to 11:10 AM. A red circle also highlights the 'Next' button at the bottom right.

The screenshot shows the 'Appointment Type' selection interface. At the top, there's a navigation bar with icons for Channels, Interactions, Appointments, Address Book, KPIs, Logs, Settings, and Administrator. Below this, the 'Appointment Type' section is active, showing a list of appointment types. The 'Eye Exam' option is selected and highlighted with a red circle. A red circle also highlights the 'Next' button at the bottom right.

STEPS:

1.	Select the “Time” for the appointment and press “Next”
2.	Select the “Appointment Type” and press “Next”

Add “Reason & Note” and Add Diagnostic (if need be):

The image shows two screenshots of the Interaction Hub interface. The first screenshot is the 'Reason & Notes' form, which includes a header with a calendar icon and the title 'Reason & Notes'. Below the header, there is a section for 'Add reason and notes' with a 'Selected' status and various filters (Symptoms: 2 selected, Schedule: 6 MONTH, Location: Brampton Clarity, Doctor: Bassem Khan, Date: May 15, 2026, Time: 10:50 AM). The main form area has two text input fields: 'Reason for Appointment' (containing 'Consultation') and 'Additional Notes' (containing 'N/A'). At the bottom, there are 'Back' and 'Next' buttons. The second screenshot is the 'Book Diagnostic Test' form, which has a green checkmark icon and the title 'Book Diagnostic Test'. It prompts the user to 'Select clinic, date, and time for your diagnostic appointment'. The form contains four dropdown menus: 'Select Diagnostic Clinic' (showing 'VAUGHAN DIAGNOSTICS'), 'Select Location' (showing 'Clarity Eye- Keele Site'), 'Select Date' (showing 'Saturday, April 18, 2026'), and 'Select Time Slot' (showing '1:00 PM'). Below these is a green confirmation box stating 'Diagnostic Appointment Selected' for 'Saturday, April 18, 2026 at 1:00 PM' at 'Clarity Eye- Keele Site • 9135 Keele Street Unit A S, Vaughan'. At the bottom, there are 'Back' and 'Next' buttons. Red circles in both screenshots highlight the specific fields and buttons mentioned in the steps.

STEPS:

1.	Input the reasons and any additional notes regarding the appointment and press “Next”
2.	Select clinic, location, date, and time slot for the diagnostics appointment and press “Next”

Review and confirm the booking:

STEPS:

1.	Review and confirm your appointment then press “Book Appointment”
2.	Appointment booked message will appear, press “Done”
